Limited Review Report on Quarterly Financial Results of PBA Infrastructure Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

To
The Board of Directors
M/s PBA Infrastructure Limited

We have reviewed the accompanying statement of unaudited financial results of **M/s PBA Infrastructure Limited** (The Company) for the quarter (July to September 2020) and year to date results for the period from 1st April 2020 to 30th September 2020 (the Statement) attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.

The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016 is the responsibility of the Company's Management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the Statement based on our review.

We have conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, except for the effects/possible effects of our observation stated in Basis of Qualified Opinion Paragraph, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ("Ind AS") specified under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Complexities Arising From COVID 19

The review expressed in the present report is based mainly on the information, facts and input data made available to us through electronic means by the representatives. We wish to highlight that due to Pandemic COVID-19 induced restrictions on physical movement and strict timelines and the fact that place of business falls under Red Zone for lockdown implementation, there were constraints on actually visiting the place of business for verification. Besides, the Company being an EPC contractor, the Company has been adversely impacted on account of the imposed lockdown by the GOI and the pandemic caused globally, the effect of which is seen in the current fiscal year. The COVID pandemic is unprecedented and the Company has also experienced its adverse impact. With gradual resumption of operations, sites have slowly started moving towards normalcy, though challenges still exist. While the Company continues to work very closely with all the stakeholders, the situation continues to be still evolving. The Company, as at the date of approval of these financial statements, has relied on available information and assumptions to arrive at its estimates. There exist material uncertainties that may cast apprehension about the Company's ability to function as a going concern.

Basis of Qualified Opinion

- a) Due to NPA Status and Covid-19, Statement pertaining to current/cash credit/term loan accounts loans from banks & financial institutions is received partly and some banks have no transaction, hence Reconciliation of Statement of Current /Cash Credit and Term loan is pending with the books of accounts, due Hence, to that effect, in any, of such pending reconciliation, of financial statements remain unascertained. Since the loan is NPA in the books of the Banks / FI's, interest on these loans is not provided in the current fiscal year. Lead Bank under consortium has approached CMM Court to take physical possession of the various secured assets against total consortium sanctioned / overdue limit of Rs.417.51 crores under SARFASEI Act 2002. The Company has also received notice of physical possession of various secured assets. The Company went to DRT Court and got a stay on attachment proceedings till the disposal of SA. Company has proposed One Time Settlement with the Banks in December 2017 and has further improved the offer to Rs.150 crores in August 2018.
- b) There were / are defaults in repayment of its Public Deposits and Inter Corporate Deposits on maturity and payment of interest thereon for the past few years with repayment being delayed.
- c) There are arbitration proceedings / legal cases against by / the Company which may result in Compensation / interest / penalties.
- d) Company follows accounting practice of recognizing revenue on the basis percentage completion method. Company being an EPC contractor raises claims / arbitration money with employers / Customers for the delay on obtaining approvals, cost escalation, etc. as per Company policy, though the claims are raised for the actual loss incurred by the Company (SOC), the same is recognized in the books at realizable value determined by the internal team of the Company. Though, these claims are not acknowledged by the employer / Customer, the same being intangible in nature is being classified as work in progress. The said claims though classified under WIP (Current Asset) are subject to uncertainty as to recoverability. Work in progress of Rs.160.54 Crores and trade receivables amounting to Rs.124.39 Crores as on 30th September

2020 which represent various claims raised in the earlier years in respect of projects substantially closed or suspended and where the claims are currently under negotiations. Based on discussions with employers / customers, arbitrations, litigations and on legal opinion / past experience with respect to such claims, management is of the view that the aforementioned balances are fully recoverable.

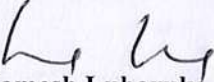

- e) Due to aforesaid reasons, the existence of material uncertainty that may cash apprehension about the Company's ability to function as a going concern. However, the financial statements of the Company have been prepared on a going concern basis & do not include any adjustments that might result from the outcome of this uncertainty
- f) Fixed Asset register is under compilation to have proper records showing full particulars, including quantitative details and situation of property, plant and equipment. Company to have a regular program of physical verification of its fixed assets, periodically.

Our opinion is not modified in respect of these matters
